We look forward to working with you and your child. We are fortunate to have an outstanding group of teachers here at AIS who are committed to enhancing the special gifts in each of our children while preparing them to be successful in meeting high academic standards in learning.

The information contained in this Student Handbook was compiled to help each of us understand and support the organization of our school in order to provide the best learning atmosphere for our children. If you have any suggestions, or if we can assist you in any way, please do not hesitate to contact us. We are so excited to get this year started.

## ACCREDITATION

Alma Intermediate School meets and exceeds the standards of accreditation of the State Department of Education and the *AdvancEd*.

## FAMILY INVOLVEMENT

Parents are the most important teachers in the life of a child. We want to encourage you to be involved in the education of your child. You can be involved as a school volunteer or through our Parent Input Team. Please contact the school office or your child's teacher if you would like to volunteer on a regular basis. We want to team with moms, dads, and grandparents as we all work to help our children be successful in school.

## PARENT CONFERENCES

Parents are encouraged to schedule conferences with teachers to discuss their child's academic progress. Teachers have a conference period everyday for this purpose. Please contact the school to schedule a conference with a teacher. School-wide conferences are scheduled twice each year.

## VISITOR PASSES

Visitors will be limited in the building this year to essential needs. **All visitors, including parents, must enter through the front entrance & sign in at the reception desk.** This will help ensure campus security and avoid interrupting instruction.

## ASSESSING STUDENT LEARNING

All students participate in state testing during the spring of each year to assess academic progress in reading, writing, math and other academic areas. The results from these tests will be provided to parents.

In addition to classroom tests and informal assessments in the classroom, students are given grade-level assessments at different points in the year to determine students' needs and progress.

## STUDENT DROP-OFF AND PICK-UP

**\*\*It's very important that everyone follow these procedures to ensure the safety of our children.\*\***

Thank you for keeping these things in mind as you drop off and pick up your child.

1. Drop off is at the track parking area every day.
2. When you pull in off of Column Lane, stay along the perimeter of the parking lot (the lanes will be marked with cones).
3. Stay in the car line so we can keep the flow of traffic smooth and safest for our students.
4. The drop off release is in shifts of cars. The first car will pull up to the furthest cone. There will be a sign there to direct you where to stop.
5. Every car that is along the sidewalk will release their student at that time. Cars will remain in line until every child has safely moved onto the sidewalk.
6. The duty staff will dismiss the cars and the group of cars will move in.

## *ATTENDANCE POLICY*

The Alma School District policy states that students shall not be absent, as defined in this policy more than 10 days in a semester. When a student has 5 absences, his/her parent or guardian will be notified that the student has missed half of the allowable days for the semester. When a student exceeds 10 unexcused absences in a semester, the District shall notify the prosecuting authority and the parent or guardian will be subject to a civil penalty as prescribed by law. Students with 10 absences in a course in a semester, at the discretion of the principal after consultation with persons having knowledge of the circumstances of the absences, the student may be denied promotion. Excessive absences, however, shall not be a reason for expulsion or dismissal of a student.

Student absences will be classified into two categories:

#### Excused absences

1. Illness of the student
2. Medical appointments
3. Death or serious illness of immediate family
4. Court appearances
5. Other reasons if approval from the principal is obtained in advance.

#### Unexcused absences

1. Absent from school without parental knowledge and/or permission.
2. Absent from school without acceptable cause

**Parents are requested to call the school during the day their child is absent, or before 8:30 a.m. the next day.** Parents will be notified, when possible, each time the student is absent from school and contact has not been made by the parents.

In cases of extended or chronic absence, the principal will require verification of an illness by a physician. Excessive absence from school may result in denial of promotion.

“ Students who are present less than 160 days in any school year may not be promoted.

“ Students are expected to complete any work missed due to absence, regardless of whether the absence is excused or unexcused.

“ Students who are picked up before the end of the school day must sign out in the office.

#### *PERFECT ATTENDANCE POLICY*

Perfect attendance will be awarded to students who do not miss any school. Tardies and early check-outs will count toward absences and may disqualify a student from perfect attendance.

#### *GUIDANCE SERVICES*

Guidance services are offered to students to help evaluate their aptitudes, interest, and abilities and to work toward the achievement of their greatest potential. To aid the pupil's adjustment and progress toward worthwhile goals, parents and teachers are invited to contact the counselor for private conferences

#### *BEING ON TIME TO SCHOOL*

**The first bell rings at 8:10 a.m. followed by classes starting at 8:20 a.m. Students arriving after 8:20 a.m. are considered tardy and must check in through the office.** Every five tardies or five early checkouts per quarter will count as one day absent. Early checkouts are defined as leaving school before 3:15 p.m.

Arrive between 8:20-10:00 is a tardy

After 10:00 is 1/2 day absent

Checkout from 1:30-3:15 is a tardy

Checkout before 1:30 is 1/2 day absent

#### *EARLY CHECKOUT*

**Students are only allowed to leave school early with their parents or a designated guardian.** If someone other than the parent will be picking up a child, prior permission must be granted by the parent in the form of a phone call or note with the child. Adults checking out a child should be prepared to show identification.

### *HOMework*

Homework assignments are made to provide additional practice and review of material taught in class. Teachers will attempt to communicate homework expectations throughout the school year. Teachers will avoid assigning homework on Wednesdays. There will be times when a test is scheduled for Thursday or Friday and preparation may be required. Please contact the teacher if you need clarification about homework requirements or grading.

### *MAKE-UP WORK*

Students are expected to complete any work missed due to absence, regardless of whether the absence is excused or unexcused.

### *MESSAGES & DELIVERIES*

Messages for students will only be delivered between instructional blocks of time. It is important to contact the office as early as possible if a message is to be delivered, especially related to transportation. **We cannot guarantee that messages called in after 3:00 p.m. will be delivered.**

If messages are of an emergency nature, the office staff will make every effort to deliver them without delay. However, it is not possible to accept and deliver messages without interrupting classes and interfering with the learning environment.

All items delivered to the school for students must be brought to the office. The students will be notified by office personnel of the delivery. **Balloons or glass items delivered to school are not allowed on school busses.**

### *USE OF THE TELEPHONE*

Students' use of the school telephones will be limited during the school day to emergency situations. The telephone may not be used to call home or take care of matters that should have been taken care of before coming to school. An example of an instance when students will not be allowed to call home is to call for permission to go home with another student.

Teachers and students receiving calls during the school day will be contacted and allowed to receive the call if the urgency of the situation warrants interrupting instruction. Otherwise, a message will be delivered to the student at the end of an instructional period.

### *CELL PHONES AND OTHER ELECTRONIC DEVICES*

- Cell phones are to be turned off from arrival until you depart from campus unless teachers give permission to use them.
- All cell phones are to be left in backpacks and out of sight of other students.
- School officials may give a student permission to use a school phone or an electronic device.
- Unauthorized use of a technical instrument (including cameras, phones, IPODS, and other devices) are prohibited.

- Devices confiscated due to a rule violation may be picked up by the parent after 4:00 p.m. in the office. Other consequences may apply depending on the situation.
- Bring electronic devices to campus at your own risk. Instructional time will not be spent searching for missing cell phones or other devices.

#### **Toys, Fidget Spinners:**

Toys (like cell phones) are to remain in backpacks. If toys are brought out in the classroom, they will be taken up. First offense - The toy will be returned to the student at the end of the day provided there are no other extenuating circumstances. Second offense - The toy will be sent to the office where a parent may retrieve it after school or at a later date.

Toys are not to be bought, sold, or traded at school.

## **ALMA PUBLIC SCHOOLS TRANSPORTATION**

The Alma School District will provide the best transportation program possible for the greatest number of students.

All students will be assigned a seat or section of the bus in which to sit beginning with Primary students in the first rows, followed by Intermediate students, Middle School students, and High School students. The first row of the bus may be used to assign seats to students requiring close supervision from any school.

#### *Requirements for Alma Intermediate School Field Trip Participation*

The following guidelines are to protect the instructional value of our field trips and to maintain a safe environment for all students. While on field trips, students are representatives of our school and our community.

**It is our hope that all students are able to participate in field trips. The requirements listed below go into effect on the day they are given to students. No students will be penalized for past behaviors.**

Students participating in AIS field trips must meet the following requirements.

1. Demonstrate the ability to listen and follow directions.
2. Demonstrate the ability to work with others.
3. Demonstrate good manners and an appreciation for learning materials and facilities.

Students participating in AIS field trips must not have any of the following:

1. Suspension from school
2. Chronic bus behavior problems
3. Chronic absence from school\*
4. Any behaviors that would compromise the safety of students\*

## 5. Chronic behavior problems in the classroom\*

\*A committee made up of the principal, assistant principal, and classroom teachers will make the final decision as to a student's participation in field trips if chronic behavior problems or the safety of students is at issue.

### *FIELD TRIP TRANSPORTATION*

All students who make trips under school supervision will return by the same means of transportation used to get to the destination. The only exception to this will be when parents check with the sponsor at the trip destination for permission for the student to ride home with his/her parent. Prior arrangements must be submitted to the school so chaperones and staff are aware of the alternative arrangements. Permission for a child to ride with anyone other than a parent must be pre-approved by the principal. In all cases, the child must be signed-out in person with the supervising staff on the trip.

### *STUDENT INSURANCE*

The superintendent of Alma Schools regularly contracts with an insurance agent to insure all of the students in the Alma School District. The company will insure against accidental injury according to a schedule of medical and surgical costs. This insurance is provided at no cost to the student. Alma School District will assume no liability for injury incurred during the school day or at school events. School insurance is a supplemental insurance.

### *REPORTS TO PARENTS*

Report cards will be sent home approximately every nine weeks. **The following grading scale is used to measure students' progress on educational objectives only.**

- A 90-100 %
- B 80-89%
- C 70-79%
- D 60-69%
- F 59% and below

Citizenship is reported as: Satisfactory / Needs Improvement / Unsatisfactory

In addition to report cards, parents will receive progress reports at approximately the 4<sup>th</sup> week of each nine-weeks grading report which includes current grades. Check grades at [almasd.net](http://almasd.net) by logging into EdLine at any time.

**If adequate progress is not met, students will be assigned an AIP (Academic Improvement Plan). If remediation requirements are not completed, the affected students will be retained.**

### *STUDENT ILLNESS AND FIRST AID*

If a child is injured or becomes sick at school, the child will be referred to the school nurse. The nurse will assess the child's condition. If care beyond a cleaning, a band aid, or ice pack is needed, the office will attempt to contact a parent using home, work, and emergency phone numbers listed on the student's emergency card.

## *MEDICINES*

Medicine may only be given during the school day if it is prescribed by a physician. This medication must be in the original bottle with the child's name on it and the dosage prescribed by the physician.

Medications will not be given if they are sent in unlabeled containers. Please label with child's name, name of teacher, medication and time to be given. You may request a "school size" bottle at your pharmacist when prescriptions are filled.

If your child is to continue a non-prescription drug for over one week, a doctor's statement on the necessity of this medication must be sent to the school. **This medication policy applies to all types of over-the-counter medication, including Tylenol.**

Please accompany all medication with a note (signed by the parent) explaining the proper dosage and the time to be administered. We do not administer medications that are to be taken three times a day as these may be taken before school, after school, and at bedtime. We try to schedule all medications at the child's lunchtime.

**If medication is to be given at school a medication release form must be signed, and if it is a narcotic, it must be brought in by the parent, counted and signed off by the parent and nurse. Medications are not to be kept by the individual students. Students are NOT to bring medicines to school by bus.**

## *COMMUNICABLE DISEASES*

Each child must have on file a record of their immunizations as required by the State of Arkansas. Each student is to have been immunized from poliomyelitis, diphtheria, tetanus, pertussis, rubeola measles, rubella, varicella, and Hepatitis B.

If a child develops a disease that is apparently going unchecked or may be contagious, the school may send the child home until it has been resolved or a doctor states that it is no danger to other children.

## *NUTRITION INFORMATION FOR PARENTS*

The **Arkansas Department of Education** passed new rules governing nutrition standards in Arkansas Public Schools. These State Department guidelines do not restrict what **parents may provide for their own child's lunch or snacks.**

Please note the following rules. We apologize for any inconvenience and appreciate your cooperation as we comply with state law.

- Elementary students will not have access to vending machines just as in the past.
- Students may be given any food and/or beverage items for up to nine different school events each school year to be determined and approved by school officials. Four of these days will be taken by holiday celebrations. To recognize students' birthdays, teachers will schedule five dates during the school year. This will also allow us to recognize students whose birthdays occur during the summer. Parents will be notified of these dates through the classroom teachers' newsletters. We will no longer be able to have snacks on every child's birthday due to new State Department guidelines. We will, however, continue to recognize students' birthdays by calling them to the office during morning announcements and giving them a birthday pencil.

- Due to these State Department guidelines, parents may not provide food/beverage items to other children at school with the exception of the nine scheduled birthday or holiday events during the school year.

## *USE OF THE LIBRARY*

All students will have the privilege of using the library and checking out books. Students will be allowed to check out two library books per week. Those books should be returned on the students' scheduled day in the library. At that time students may turn the books in or renew for another week. Books not returned within that one week period will be overdue and may prohibit the student from checking out additional books until returned. Lost or damaged books must be paid for before additional books will be checked out. Library contact [mbailey@almasd.net](mailto:mbailey@almasd.net).

### *Reading Counts*

AIS uses Reading Counts, a nationally recognized supplemental reading program. Reading Counts is available on all school computers. Through independent reading, students improve vocabulary, comprehension, and writing skills. This program allows students to read a wide variety of books and take computerized quizzes that assess the students' understanding of the book. The Reading Counts Management System gives each student immediate feedback about his/her reading performance.

### *Million Word Recognition*

Research shows that students who read approximately one million words per year show continuing improvement in their reading skill. One million words are equal to approximately 25 chapter books or 6-8 picture books a day. Students who achieve one million words will be recognized publicly for their achievement.

## *ALMA SCHOOL DISTRICT COMPUTER CODE FOR STUDENTS*

Computing resources are provided by the Alma School District to enhance learning, research, services and the activities which support them. Alma School District is committed to a computing system which effectively meets the needs of users.

Individuals who are granted computing accounts, use computing accounts, or use computing resources at the Alma School District accept responsibility with such access. Each user is expected to use computer resources only for the purpose for which they are granted. **Activities beyond these stated purposes are strictly prohibited.**

The code of computing practices for the District is stated below. Violations of this code will be reviewed by District personnel and could result in restriction from these resources. Improper behavior may also be handled by administration in each school building.

- Users shall use proper etiquette when on-line, refraining from obscenity and vulgarity.
- Users shall use only those computer accounts which have been authorized for their use.
- Users are responsible for the use of their computer accounts. They should take advantage of protection measures provided, such as securing passwords, changing of passwords, logging out of network, and other precautions against others obtaining access to their computer resources.
- Users shall use accounts only for the purposes originally agreed.
- Users shall follow established procedures for accessing the computing system.
- Users shall not attempt to access, copy, or destroy programs or files that belong to other users or to the District.
- Users of computer software owned by the Alma School District agree to abide by the limitations included in the copyright and license agreements entered into with vendors. It is the user's responsibility to become familiar with the specific copyright and licensing agreements for each product before using it. It is illegal to copy most software products. If other arrangements are made with a vendor, users must abide by stated provisions.
- Users should minimize the impact of their work upon the work of others. One should not encroach on others' use of the facilities or deprive them system resources.

- Users shall not attempt to modify system facilities in any way. Intentional compromise of system integrity by virus or other means is a serious offense.
- Users shall not subvert restrictions associated with their accounts.

The above list does not cover every situation that pertains to proper and improper use of the computing resources at the Alma School District, but it does suggest some of the responsibilities that students accept if they choose to use an Alma School District computing resource or the international network access that the Alma School District provides. This code is to work for the benefit of all system users by encouraging responsible use of computing resources.

### *TEXTBOOKS AND MATERIALS*

Our students are responsible for their textbooks and other instructional materials provided by the school. Textbooks range in cost from \$12.00 to \$45.00 depending on the book and the age of the book. Lost textbooks will result in a charge for replacement. The last report card of the year is issued to students when all books are returned and any money owed to the school is paid. Report cards are not mailed.

### *GIFTED AND TALENTED PROGRAM*

The Alma School District is committed to providing an instructional program that recognizes the unique needs and talents of each student and equal opportunities are provided all students to develop to their fullest potential. The Alma Gifted Program is directed by the district gifted and talented coordinator who supervises the program on each campus. The needs of the gifted student are met through various means, which may include pull-out GT classes, fine arts and enrichment classes, specific extra-curricular or special programs. Students are identified for the program through recommendations, recognized assessment programs required by the Arkansas Department of Education, and approval of the GT placement committee. Parents may nominate their child by contacting the district program coordinator, who may also be contacted in instances when a parent wishes to submit an appeal of a placement decision.

### *FIRE AND EMERGENCY DRILLS*

Regular emergency drills will be held on campus as required by state standards to insure the safety of our students and teachers. Behavior expectations for emergency drills will be clearly communicated by teachers and administration.

### *MONEY AND VALUABLE ARTICLES (Lost-and-Found)*

Students should never leave money or valuables in their desk or lockers. The school cannot assume responsibility for money or valuables that are lost or stolen. We attempt to find lost items and have a Lost-and-Found closet for that purpose. **Please label students' coats, lunch boxes, and school supplies to assist us in locating the proper owners.**

### *SCHOOL LUNCHESES*

The cafeteria is operated for student convenience and to provide a student service. It is not operated for profit. Therefore, students will be provided quality food at minimal costs. Lunches may be paid for in advance. Students

who bring their lunches to school will eat in the cafeteria. Free and reduced price lunches are available to students who qualify. Applications may be obtained in the office by those who wish to participate in this program.

### *PARENT NOTIFICATION OF FAMILY EDUCATION RIGHTS AND PRIVACY ACT (FERPA)*

FERPA affords parents/guardians certain rights with respect to a student's education records. These include certain rights of inspection, review, amendment, and disclosure of the individual student's records under a variety of conditions and regulations. Copies of this act are available for review in each school office. Certain directory information may be released without parental consent, such as lists or news releases of honor roll students, rosters of clubs or teams, award-winners, etc. If a parent/guardian does not wish to allow their child's name in any such directory information to be released, they must notify the school in writing.

### *CLASSROOM BEHAVIOR MANAGEMENT*

The classroom teachers will share their behavior expectations with students and parents. Working together, the teacher, parents, and students will develop an atmosphere that will increase student learning and success.

**Bullying defined:** Repeated, persistent and aggressive behavior by a student where (a) the behavior is intended to cause harm, fear or distress to another student, and (b) the behavior occurs in a context where there is a real or perceived power imbalance between the two students based on such factors as size, strength, age, social status, gender, race or socioeconomic status. There is also an underlying concept of the repetition or continued threat of further aggression which creates a hostile environment at school and substantially disrupts the educational process.

Bullying will result in negative consequences as listed in the Proactive Discipline Procedures. The minimum consequence will be a warning and the maximum may be suspension from school and/or referral to juvenile authorities.

## *STUDENT APPEARANCE AND DRESS*

**Section 2:** The term “expel” and variations thereof used herein refer to exclusion from school attendance for the balance of the school term.

**Section 3:** The superintendent, principals, and assistant principals, or other persons in charge are authorized to suspend any student or students from school under any of the following circumstances.

- a. When the presence or conduct of such student or students is impairing or disrupting the discipline of the school;
- b. When the presence or conduct of the student or students is creating an immediate risk of harm to the student, other students, or school personnel;
- c. When suspension is required to restore or maintain the atmosphere of a school;
- d. When suspension is necessary to protect the student, other students, or other school personnel from harm;
- e. When suspension is necessary as a disciplinary measure to deter unacceptable conduct in the future.

**Section 4:** Suspensions under section 3 are contemplated as suspensions which shall become necessary during the school day or at some school sponsored activity and the same may be made, in the discretion of the suspending superintendent, principal or other school official in charge, without prior notice to the parents. ### **Alma School District Student Handbook Addendum**

ASD Policy 4.1 – Residence Requirements: The schools of the District shall be open and free through the completion of the secondary program to all persons between the ages of five (5) and twenty one (21) years whose parents, legal guardians, or other persons having lawful control of the person under an order of a court reside within the District and to all persons between those ages who have been legally transferred to the District for educational purposes.

ASD Policy 4.7 - Absences: If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence. Students shall not be absent, as defined in this policy more than 10 days in a semester. When a student has 5 absences, his/her parent, guardian, or person in loco parentis shall be notified that the student has missed half the allowable days for the semester. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day. Whenever a student exceeds 10 absences in a semester, the District shall notify the prosecuting authority and the parent, guardian, or person in loco parentis shall be subject to a civil penalty as prescribed by law. Students with 10 absences in a course in a semester shall not receive credit for that course. If the student fails to receive credit for a sufficient number of courses and at the discretion of the principal after consultation with persons having knowledge of the circumstances of the absences, the student may be denied promotion or graduation. Excessive absences, however, shall not be a reason for expulsion or dismissal of a student.

ASD Policy 4.7 – Absences: Students having excessive absences due to illness, accident, or other unavoidable reason may be given assistance in obtaining credit for their courses. At any time prior to when a student exceeds the number of allowable absences (unless unable to do so due to unforeseen circumstances), the student, or his/her parent, guardian, or person in loco parentis may petition the school or district's administration for special arrangements to address the student's absences. If formal arrangements are granted, they shall be formalized into a written agreement which will include the conditions of the agreement and the consequences for failing to fulfill the agreement's requirements. The agreement shall be signed by the student, the student's parent, guardian, or person in loco parentis, and the school or district administrator or designee.

ASD Policy 4.3 – Compulsory Attendance Requirements: Every parent, guardian, or other person having custody or charge of any child age five (5) through seventeen (17) years on or before August 1 of that year who resides, as defined by policy (4.1—RESIDENCE REQUIREMENTS), within the District shall enroll and send the child to a District school with the following exceptions.

ASD Policy 4.2 – Entrance Requirements: Every parent, guardian, or other person having custody or charge of any child age five (5) through seventeen (17) years on or before August 1 of that year who resides, as defined by policy

(4.1—RESIDENCE REQUIREMENTS), within the District shall enroll and send the child to a District school with the following exceptions.

Prior to the child's admission to a District school:

1. The parent, guardian, or other responsible person shall furnish the child's social security number, or if they request, the district will assign the child a nine (9) digit number designated by the department of education.
2. The parent, guardian, or other responsible person shall provide the district with one (1) of the following documents indicating the child's age:
  - A birth certificate;
  - A statement by the local registrar or a county recorder certifying the child's date of birth;
  - An attested baptismal certificate;
  - A passport;
  - An affidavit of the date and place of birth by the child's parent or guardian;
  - United States military identification; or
  - Previous school records.

ASD Policy 5.15 – Grading: Students' grades shall reflect only the extent to which a student has achieved the expressed educational objectives of the course.

ASD Policy 5.15 – Grading: The grading scale for all schools in the district shall be as follows:

- A = 100 – 90
- B = 89 – 80
- C = 79 – 70
- D = 69-60
- F = 59 and below

ASD Policy 5.11 – Promotion/Retention/Credit Grades K-12: Students who do not score proficient or above on their grade level Benchmark Exams shall be required to participate in an Academic Improvement Plan (AIP). Each AIP shall be developed by school personnel and the student's parents and shall be designed to assist the student in attaining the expected achievement level. The AIP shall also state the parent's role as well as the consequences for the student's failure to participate in the plan, which shall include the student's retention in their present grade. All students must successfully pass all general EOC assessments they are required to take, unless exempted by the student's individualized education program (IEP). To receive academic credit in a course requiring a student to take a general EOC assessment, the student must either receive a passing score on the initial assessment or successfully participate in the remediation program identified in his/her Individualized Academic Improvement Plan (IAIP). A student is not eligible to graduate if he/she fails to receive academic credit in a course requiring a general EOC. Additionally, the lack of credit could jeopardize the student's grade promotion or classification. Promotion/retention or graduation of students with an Individual Educational Plan (IEP) shall be based on their successful attainment of the goals set forth in their IEP.

ASD Policy 4.45 – Smart Core: All students are required to participate in the Smart Core curriculum unless their parents or guardians, or the students if they are 18 years of age or older, sign a *Smart Core Waiver Form* to not participate. While Smart Core is the default option, both a *Smart Core Informed Consent Form* and a *Smart Core Waiver Form* will be sent home with students prior to their enrolling in seventh grade, or when a 7-12 grade student enrolls in the district for the first time and there is not a signed form in the student's permanent record. Parents must sign one of the forms and return it to the school so it can be placed in the students' permanent records. This policy is to be included in student handbooks for grades 6-12 and both students and parents must sign an acknowledgement they have received the policy. Those students not participating in the Smart Core curriculum will be required to fulfill the Core curriculum or the requirements of their IEP (when applicable) to be eligible for graduation. Counseling by trained personnel shall be available to students and their parents or legal guardians prior to the time they are required to sign the consent forms.

This policy, the Smart Core curriculum, and the courses necessary for graduation shall be reviewed by staff, students, and parents at least every other year to determine if changes need to be made to better serve the needs of the district's students.

Sufficient information relating to Smart Core and the district's graduation requirements shall be communicated to parents and students to ensure their informed understanding of each. This may be accomplished through any or all of the following means.

- 1 Inclusion in the student handbook of the Smart Core curriculum and graduation requirements;
- 2 Discussion of the Smart Core curriculum and graduation requirements at the school's annual public meeting, PTA meetings, or a meeting held specifically for the purpose of informing the public on this matter;
- 3 Discussions held by the school's counselors with students and their parents; and/or
- 4 Distribution of a newsletter(s) to parents or guardians of the district's students.

ASD Policy 5.6 – Challenge to Instructional/Supplemental Materials: The Media Center in each building shall develop guidelines for the selection, challenging, removal, and retention of materials. The Building Principal shall be the final authority in addressing materials whose inclusion is challenged.
