

# The **ACT** *Tutoring and Practice Exam* **Schedule**

Practice ACT exams will be administered on the following dates. Students are encouraged to attend as many practice exams as possible. Students must arrive on time. Students will need to bring a pencil. Students will also need a calculator for the Math Exam. This practice will not only familiarize you with how the test is administered, it will also help familiarize yourself with the ACT test itself.

Tutoring for specific sections of the ACT will be from 4-7 pm, Monday-Thursday. Practice exams will be incorporated into the tutoring sessions. Students may enter the building from the north end of campus by the old student drop off.

English/Reading in 107, Math/Science in 105
