A Note From The Teacher:

Halloween Week in Kindergarten! The students will be allowed to wear their costumes on Tuesday. We will have a snack in the room at 1:45 then all go down together to the carnival in the safe room. Students do not need a container for their candy, we will all carry sacks that I have in the room. **Please remember to send your bag of candy by Monday.** Thank you to all the parents who have volunteered to help with the games! I tried to make them as easy as possible. :)

On November 2nd the Health Department will host a flu clinic at APS. If you want your child to receive a flu shot, please send in the forms sent home in their folder.

On Friday, we will travel to the Ft. Smith Sanitation Department. We will be learning what happens to our trash when the trash truck takes it away. After a tour of the facilities we will play on their playground and have a picnic lunch. Pray for great weather!

Have a Blessed Week!
